Club Happenings:

The Board of Directors on Tour is coming to Lodi this month! We will be at Juli and Raleigh's Coffee Shop April 20th from 8:30 AM to 10:00 AM. If you live in the southern part of the Sacramento area (or not!) you are invited to join your fellow club members, enjoy brunch and a Show and Shine contest.

For our new members, a special tour is planned for May 18th. Rebecca Plourde and Liz Houser are planning our annual New Member Tour through the beautiful Placer County foothills with a hosted luncheon at Feather Falls Casino. Board Members will also be there for you to meet and get to know more about the club! April is also the popular dinner at Fat's Bistro in Folsom, hosted by Cookie Anderson.

The first autocross following the March 30th classroom is scheduled for April 6th. The ever popular and first multi-day tour of the year – San Simeon Tour is April 12 - 14, hosted by Mike

and Emily Willis. San Simeon Tour to California's Central Coast should be a fantastic way to start your touring season. Don't forget to visit Hearst Castle and check out the Sea Lions just north of the town of San Simeon on Highway 1.

May 11 is a new tour to Anderson's Conn Valley Vineyard in St. Helena, hosted by John Mueller. This should be a fantastic tour with all the rain we've had the Napa Valley should be in full Spring mode. The wines are very highly regarded!

The club is also starting to put registration of events online so you can pay by credit or debit card, PayPal or yes, even a check. Information, details and purchase of a "ticket" to an event can all be done with a couple of mouse clicks. You will be able to go to our website, click on the event and sign up. If you happen to be reading The Drifter online, you will be able to also get signed up by clicking on the link.

We are just getting started on this and a few events will be available soon. We feel this is a good way to get out the information and make it easier to participate in club events. We will also be able to alert you to changes easier and quicker.

Porsche News:

Okay now things are getting exciting. Porsche announced that the next generation of Macan will be all electric. This new generation won't be until the early part of the next decade, but that's right around the corner. That's the second Porsche in the line up to be all electric. The new PDK eight speed transmission has been prepped to accept an electric motor but no plans yet to do so. No electric/hybrid plans for the sports car line for now...only time will tell. We hope to see the new 992 and Taycan later this year.

I hope to see you on an SVR event!

Sprung!

Spring is here at last and we are getting a front row seat to lots of blooms, green fields and hillsides. The allergens are just starting to do their thing to those with what some call "hay-fever". Going for a pleasure drive is more of a reality now that we have more dry, sunny days. The recent Daylight Savings Time change took its toll on many -for a few days. We will survive and lets welcome the mild weather.

The March Issue:

Last month's cover was a real hit. We received a ton of compliments and inquiries. The photographer is Craig Rembold, www.tiredironmotorsports.com. What a shot!

Our Drifter layout guy really took it to another level in late February, assembling the last bits of material and trying to meet our deadline. On the way down to the LA Lit and Toy Show in his 97 993 C4S, he pulled off the highway in Bakersfield, finding a Costco parking lot. He turned his Porsche sport seat into an office chair, fired up the laptop, and got online using his cell phone as a WiFi hotspot. In a few minutes the InDesign file was given some final revisions, a huge file was uploaded, and sent off to our printer and

our webmaster. Putting together every nut, bolt and washer of every issue is a mountain to climb. Big thanks goes to **Ken Shahoian** for serving SVR so well.

Help us- To help you: Getting material into The Drifter

The staff here at the award winning Drifter work very hard to give you a great newsletter every single month of the year. There has been a lot of last minute requests and scrambling in the past two months. I need to send out a reminder of the key elements to ensure placement in The Drifter.

- Notify the editor by the 1st of the month that you intend to submit material for publication in the next issue and how much page space you think you might need. Active and early collaboration is a huge plus here.
- A final (ready to go) version of your article or event flyer must be sent to: editor@svr-pca.org no later than 15th day of the preceding month. This does not mean that you can wait until the 11:45PM on the 14th to begin the request process. It takes several hours to create each flyer from scratch. We

need a few weeks to work with everything.

- Event chairs need to be very pro-active and involved with the promotion of their upcoming events. This means that the chair start the flyer request process at least 3 months before your event date and regularly interacting with the editor as needed. This includes getting your initial "save the date" flyer started and then sending in the additional flyer details to the editor for the final version flyer. Also, it is highly advisable to use email when sending in your material. The request will then be forwarded to our webmaster/ flyer designer who will need your detailed and concise info.
- Photographs must be sent in actual size. Meaning, the largest file (highest resolution) size possible. A minimum of 1-3MB size photos is needed for articles. Portrayal of the images will suffer immensely using low resolution images and should not be used. Candidates for cover photos require images 5MB or larger and a minimum of 200dpi. Cover images need to be shot in portrait mode.

"OUR HISTORY" GUY: Larry Wilson (1930-2019)

By Pat and Kent Wilson, and Rik Larson

When you check out the "Our History" tab on the SVR website, you will find the efforts that Larry Wilson put into telling the stories and documenting the events and changes in Sacramento Valley Region from its very beginnings in 1961.

Larry and Pat join PCA

Larry and wife Pat joined Porsche Club of America (PCA) in June 1961 after buying a new 1961 356B coupe while living in France with their sons Mike and Tim (age 6 and 3). After returning to Sacramento in December they were assigned to Sacramento Valley Region (SVR) when it was established May 7, 1962.

Larry served in various SVR offices: Activities Chair (1966), three terms as president (1968, 1969, 1982), Technical and Competition Chair (1977), twice as Treasurer (1986 and 1993), and five years as newsletter editor (1987-91) for THE DRIFTER. In January 2013, Larry was appointed SVR Historian, a new position. Larry held this position for 4 years.

SVR Charity Auction

For 31 years, 1977 through 2008, Larry was a co-auctioneer with Kirk Bradford at SVR's annual charity auction helping to raise more than \$84,000 for SVR charities. Kirk Bradford commented that "as we did more auctions, Larry and I refined our techniques with the end result being extracting the maximum dollars out of the bidders, no matter how (un)saleable the items might have been. Many fond memories of all of those auctions!"

CRAB

Larry served as CRAB (SVR's multi-event weekend) co-chair in 1973 with Bob Becker and 1980 (CRAB NINE) with wife, Pat.

"Drifting Back"

For ten years, May 2001 through December 2010, Larry wrote a monthly column, "Drifting Back," in SVR's newsletter to chronicle 30 years of the region's his-

tory and people. All 360 columns are republished on the region website.

Zone 7 Service

Larry's Zone 7 service includes 15 years (1977-1991) as a Zone 7 autocross school instructor. In 1985 Larry chaired the Zone 7 autocross school in Sacramento. He conducted workshops for Zone 7 newsletter editors in 1991, 1993, 1999, 2000, and 2001. In 2009 he served as an instructor at the Zone 7 concours judges' school.

PCA National Service

Larry's national PCA service includes one year (1969) as a member of the PCA Publication, Publicity & Public Relations Committee, three years (1970-1972) as PANORAMA contributing editor, and five and one-half years (1994-99) as PCA Newsletter Committee Chair helping editors and managing PCA's annual newsletter contest. For two years (1997-1998) he served on the PCA National Nominating Committee, and in 1998-2000 he served as Treasurer, 45th Porsche Parade, that was held in Sacramento. In 2004, 2010 and 2011 he served as a judge in the PCA Newsletter Contest.

Larry also wrote articles for the PCA publication, REGIONFOCUS: August 1988 Volume 2, Number 3, "Desktop Publishing Techniques"; March 1996 Volume 10, Number 2, "The Internet Issue"; and February 1997 Volume 10, Number 5, "Accounting and Region Management." Larry and Pat have attended 24 Porsche Parades (the first in 1962 at Monterey, the last in 2007 at San Diego) receiving numerous Parade rally, autocross, and tech quiz awards.

Awards

Over the years, Larry received several SVR, Zone 7, and national service awards. In 1978 and 1979 Larry and Pat received the SVR Most Active Member award, and in 1984 and 1989 they received the SVR President's Award. In each of the five years as newsletter editor, 1987-1991, Larry received a PCA Newsletter Contest class award (3 firsts,

1 second, 1 third). In 1989 Larry and THE DRIFTER was a class-winner in GRASS-ROOTS MOTORSPORTS magazine's nationwide club newsletter contest.

In 1998 at the Steamboat Springs Porsche Parade, Larry received the PCA Zone Representatives' Award of Merit presented to individuals within PCA whom the Zone Representatives believe have distinguished themselves by outstanding contributions to the Porsche Club of America. In 2004 Larry was among the first group of PCAers selected by Zone 7 regional presidents to be inducted to the Zone 7 Wall of Fame.

Racing

During 1965 thru 1974, Larry ran 66 SCCA regional or national races, three years in his E-Production 1955 356 Speedster, purchased in 1965, then seven years in his Zink Formula Vee. Larry recorded three second-place finishes in the Speedster, two at Vaca Valley Raceway and one at the Port of Stockton. Of the 52 Formula Vee race-starts in California, Oregon and Washington, Larry won 19 races (37%). At Laguna Seca he won 11 of 21 events (52%).

Speedster

In March 2006, Tim (with Larry's help) finished a 10-month project restoring the 1955 Speedster that Larry raced forty years before. Later that year, the Speedster won first in class at the annual SCCA-judged Niello Concours at Serrano in El Dorado Hills. In 2008 Larry entered the Speedster in five Zone 7 annual concours series events winning his series class (S-2). At the 2008 Niello Concours at Serrano, celebrating the 60th Anniversary of Porsche, Larry, Mike, and Tim entered their cars with Mike and Tim each winning their class and Larry winning the Enthusiast Choice Porsche Award.

Family

Larry is survived by his wife Pat, two sons and their wives Mike and Karen, Tim and Joann, four grandsons, one great grandson, and of course, his red '55 Porsche Speedster.

The Rivercats and SVR Porsches

By Skip and Mardi Quain

If you haven't been to Raley Field
for a while, gone are the old generic
concession stands of the past. Instead
you will find Six new "storefronts" that
bring eating - out at the ball game to a
whole new level.

In an effort to highlight the
Sacramento Valley's farm-to-fork
bounty, the River Cats management
team enlisted Ryan Sanders Sports
Services, founded by pitcher Nolan
Ryan, to reinvent the food experience
for River Cats fans.

Coop & Kennel - Irish Pub featuring Pub
Grub

Cadillac Diner - 50ies style Burgers, Hot
Dogs and Shakes

Oso's Mexican Cantina - Tacos, Carnitas
and other favorite Mexican dishes.

Golden Spike -Gourmet Burgers from
Harris Ranch

Raley's - Sandwiches with baseball
names

Sweet Spot - Desserts from Root Beer
Floats to other frozen fan favorites

On the baseball side, Dave
Brundage returns as the River Cats
manager to prepare the River Cat
players for a step up to the Giants and
a chance to play in the "Bigs". Joining
Dave are returning Pitching coach Steve
Klina and hitting coach Damon Minor.
Joining Brundage's coaching staff is
Fundamental's coach Jolbert Cabrera.

Lastly as you are climbing the
stairs to your seats enjoy the baseball
memorabilia that cover the walls.

San Simeon 2019 Tour

April 12th - 14th

Limited to 25 Cars

This year in addition to the castle tours, drive, and fellow Porsche friends, we will continue the Friday night welcome party/pizza dinner. On Friday we will leave early in the morning touring to San Simeon in our usual not so straightforward route. We will stop at Hollister for a picnic lunch and regroup for the Porsche Roads down HWY 25 to Paso Robles winery/cheese stop. Some will remember "Peach Tree" Road!!!

Gregg and Rebecca have arranged the winery stop for us. (Discount tasting fee \$15.00 each included in the tour costs and will have a credit to bottle purchased). There will also be cheese etc. available at the winery. Our winery stop in Paso Robles will be after fuel stop and on WEST HWY 46.

On Friday evening will have pizza and salad dinner at the Courtesy Inn by the pool. You will need to bring your own drinks/glasses to the dinner. Everything else will be provided. For first timers take the Grand Rooms Museum Tour in the morning and if up to it, another tour in afternoon. Go to hearnstcastle.org to view the tours. In addition, this time of year the Castle Evening Tours will be available. You need to make your own castle reservations.

Lodging option #1 – Courtesy Inn: If you stay at the Courtesy Inn, your tour cost will be \$245 for two people for two nights lodging, winery tasting, tour fees, and Friday dinner for two. We make/pay for your reservations. The Courtesy Inn is our lower priced option, clean and comfortable. And they allow us to use the pool area for our Friday welcome party/dinner.

Lodging Option #2 – Cavalier Resort: If you stay at the Cavalier Resort, you must make your own reservations (by 3-1-19) and pay the hotel directly (Porsche Club rates are from \$169-269 per night, plus tax.) See <http://www.cavalierresort.com/> for more information. Call 805-927-4688 to make your reservation. Mention the Porsche Club Sacramento to get our room rate which will be less than "Rack" rates. With this lodging option your tour cost will be \$65.00 for two people for tasting/ tour fees and Friday Pizza/Salad dinner for two.

Registration is open please mail your check, payable to PCA-SVR, for the applicable tour cost to Mike & Emily Willis, 2748 Tiffany West Way, Sacramento, CA 95827. Your check confirms the reservation. Also send an email to mikew@cwo.com to confirm. (Please be sure to send email as this is how we will communicate our tour updates and information).

If you have any questions please give Mike, 916-205-8313 or Emily 916-212-8313 or by email mikew@cwo.com or Gregg and Rebecca Plourde 530-210-3341 grplourde88@gmail.com

Meet the 2019 SVR Charity Chair

By: Deb Dunn, SVR Member

Photos Lois Roberts

On a rainy Monday night at Fat's Asia Bistro Folsom, Mike and I had a chance to get to know new SVR member **Lois Roberts**. Between bites of yummy General's Chicken and Kung Pao Salmon, we learned about Lois and her late husband Jack's experiences with Porsche Clubs in Florida with the Space Coast Region and in Portland, Oregon. They were very active members. Lois has great memories to treasure and lots of talents to share with SVR.

Since relocating to Folsom, Lois has jumped right in and has volunteered to be the SVR Charity Chairperson. She has lots of good ideas and is enthusiastically planning a great charity auction. In the months to come, more information on the auction will be available in the Drifter.

So to help you get to know her, here are a few thoughts directly from Lois on her favorite Porsche moments:

My favorite Porsche moments, by Lois Roberts SVR Charity Chair

The first Porsche my husband brought home was in 1986, a 1983 Guards Red SC Targa. At the time, I had a 1984 Corvette and he asked what I thought of the look. I said, "It looks like an M&M that was left in the sun too long". But ooh, then I drove it and the wonderful

sound as it pulled up a hill, and handling the corners so sweet. Jack would always look at me when I was driving a "bit" fast, and grin and say "you're smiling, you know". Then in 1989 we spotted a 1988 Black 928 S, driving it I realized it was everything the Corvette was trying to be. And, we suddenly had two Porsches. Many Porsches caught our eye, and we couldn't resist

Clubs, and several race tracks. We did some fun auto crossing, including winning the "Worst Synchronization Award" at one event in which we were supposed to match our times. I got a little too aggressive trying to match him and spun out on the track, most embarrassing run ever. He made me accept the award.

We have had so many fun years with the Porsche Clubs, made wonderful friends, enjoyed helping with events. Some of you we probably met over the last six years as we chaired the Goodie Store at Parade and couldn't have done it without hundreds of hardworking volunteers. Our first one was in Monterey and it was CRAZY fun, did we meet you there?

So, here I am today, having taken a year off from driving a Porsche and realizing I truly miss it. Joining Sacramento Valley Region seems like coming home and now the fun of shopping for the next Porsche has me excited again. Hope to be smiling again soon.

Jacks Legacy

As with many of us in this club, Lois and Jack have participated as a couple. To gain some insight into how well he was regarded, what follows is a reprint of a memorial tribute article by PCA President Tom Gorsuch. We'd like to welcome Lois to SVR to enjoy some more great Porsche related experiences and make some new friends.

but kept our hobby manageable but never getting more than two at a time. For me, Porsches are about the driving and handling, sorry guys I'm not much of a techie. Jack and I had the privilege of going on many fun drives with the

**Jack Roberts—in Memorial and with Gratitude from the Space Coast Region, Porsche Club of America
by Tom Gorsuch (current PCA president)**

I first met Jack at the 2006 Space Coast Region Holiday Party. I had just been elected as President for the 2007 term. As had been the tradition, I presented a few ideas for the upcoming calendar year. I appealed to the membership in attendance that we needed to resurrect the region's newsletter a thought which was met with resounding applause. Step two, "we need a volunteer to be editor." Much to my surprise, I heard from the back of the room, "Jack will do it." Lois Roberts was volunteering Jack who long maintained he was having too much fun at the party to notice what she had done.

Jack, turns out, was a marketing savant. His innovations with the newsletter included rebranding as **Escape Velocity**, professional printing in full color on glossy paper, and quarterly publishing for increased quality with a manageable volunteer workload. It wasn't long before we had converted EV into a full magazine complete with front and rear cover, feature stories, and regular columns. To make this possible, Jack took on the responsibility for ad sales, and our magazine became a profitable enterprise. His sales and sponsorship skills were also pivotal in our budding relationship with Porsche of Melbourne. Jack won the **Paul Heinmiller Trophy** for PCA's best region newsletter in 2009. Space Coast Region won the Membership Growth Contest

in 2008 and **Ferry Porsche Trophy** for Region of the Year in 2010. These PCA accolades, recognizing the fun we were having, are highly attributed to Jack's efforts and our best in class relationship with Shay Rowe, Porsche of Melbourne.

I became PCA National Membership Chair in 2009 and I took our Space Coast Region story on the road. I've made presentations to nearly every Region in North America about how their newsletters are important to the veracity

in your dreams and desires. He was more than willing to do his part to help you get there. I have a long list of Porsches that Jack thought would make me happy. Jack and Lois supported the club with event tchotchkes through their business as distributors for Brown and Bigelow. Jack understood that this stuff was not needed—that it was there to add to the enjoyment of the activity. With the support of Jack, Lois took on the role of Space Coast Region Charity Coordinator. This has added a rewarding element to our club and brought additional PCA National Public Service recognition over the past few years. **Scott Kee** says it this way, "I didn't realize how much the Roberts were doing for the club until they moved away in 2016." The behind the spotlight, make it happen, dynamic duo.

There was more to Jack than just Porsche Club. From his stories I'd say he tried at least one of

every sports car imported to America. We had the pleasure of meeting friends and family along the way. We enjoyed hanging out at the Eau Gallie Yacht Club and couples dancing on Friday nights there. It is clear that Jack shared his magic in all circles of his life. But speaking for the Space Coast Region—we are richer in our shared Porsche experiences because of Jack. This is true even if you had never met Jack personally. From that first fateful meeting in 2006 and until I stop dreaming, I will be inspired by Jack Roberts. Cheers to you Jack—may you be reunited with all of those sports cars, yachts, family loved ones and friends forever.

of their club and how they can be coincidentally, financially viable. When I became PCA National Treasurer in 2011, the Executive Council implemented the Jack Roberts model to revamp PCA's **Porsche Panorama** magazine—a more attractive magazine with improved financial results. The **Panorama** change was driven by PCA President **Manny Alban**, reimagined with inspiration from **Jack Roberts**, and fueled by a capable, National execution team. Panorama is now recognized as the best, largest circulation, independent Porsche magazine in the world.

If you met Jack then you had this common experience. He took an interest

2019 SVR Events

By Steve Barker, SVR Vice President

Wow I can't believe we are already into March and still adding to the exciting events calendar for 2019. To bring everyone up to speed on some of the activities you will see this year let's go back to the January Planning Meeting.

There was a cool breeze on that Tuesday night, January 8th and the rains had let up enough so those venturing out to the Round Table Pizza in Orangevale wouldn't be discouraged from attending. As usual it was a chatty group with a good showing of new members. The goal was to create the 2019 SVR Calendar of Events and by the end of the night there were 60 events on the calendars around the room.

The next day I had the chance to convert the sticky notes into an excel file that gets posted in the Drifter. Something I noticed that bothered me. We have more than 1300 members that make up the Sacramento Valley Region. We have some members outside our area but otherwise the SVR is made up of 10 Counties. 9 Counties are actually populated by members. Does anyone know which county does not have any members in it? Let me know if you think you know!

After that I looked at the dispersement of the activities on the calendar within our clubs region and found most activities centered around the Sacramento area. You can imagine the discussion at the dinner table as I went over my findings with my wife **Rita** and she asked, "What are you going to do about it?" It wasn't long before I got on the phone with our president, **Gregg Plourde** and told him about my concern

and he said, "What are you going to do about it?" I started to feel as though I was at a theme park.

So here's what I am doing about it and would love your feedback on what you think! I started calling members on the phone, yes I did! The question was basically would you help host a lunch, brunch or dinner meeting at a restaurant in your area whereby the board could come out and meet with SVR members in that area. I must say I was deeply touched by the responses I got from everyone I spoke to. It was an overwhelming yes! That's when I put my Project Manager hat on.

2019 SVR Board of Directors "Reach Out" Tour			
Date	Location	Event Chair	Time
April 20	Julies Café, Lodi	Raleigh Morrow	8 – 10am
May 18	New Member Tour	Rebecca Plourde & Liz Houser	
June 22	Vince's Mexican Restaurant, Woodland	Reed Schulze	3 – 6 pm
July 27	Smith Flat House, Placerville	Jerry Alter	1 – 4 pm
Oct 12	2019 SVR Club Outing	Sacramento Zoo	9 – 4 pm

I, with the board's approval, have launched a campaign to get the SVR Board of Directors "out of the firehouse" and into the towns around our region. It's called the **2019 SVR Board of Directors "Reach Out" Tour!**

The plan is simple. At each stop over the next few months, the Board will arrive at a restaurant to meet members in that area or others that want to attend, to give an update from each board member based on their responsibility. Followed by an open discussion with the members on their concerns and ideas on how to coordinate activities outside the Sacramento area. In addition, there will be a Show & Shine at each stop. Finalists in the Show & Shine will be entered into a Grand Finale' to be held at, get this, The **SVR Club Family Outing** in October. To give it a twist, extra points will be awarded for a theme

based display! It's up to the owner as to what theme they choose. Have fun with it, it's supposed to be fun! Judging is not based on Concours rules.

The following locations have already been booked but I need you to RSVP me to reserve your seat. Watch for the flyer in The Drifter of where the Board will be going next.

Oh I did mention an outing? Another exciting gathering for the club will be the **2019 SVR Club Family Outing** that will take place Oct 12, 2019 at the **Sacramento Zoo**. The day will begin with tours from the different parts of the region coming together at the

California Automobile Museum.

There, judging will take place by all members voting for their favorite

Porsche for People's Choice. In addition the SVR Board will judge the 1st, 2nd and 3rd place entries. If you didn't win at one of the stops the board makes around the region you can still enter at CAM. The judging will be based on your theme that you base your car on. Maybe it's a racing theme or an art theme, you get to decide!

Back to the Zoo, it will begin with a buffet lunch catered by Taste of the Wild Catering. There will be animal encounters for our group, a scavenger hunt, and I promise very few speeches! This is meant to be a fun day and not a work day for our members. Cost has been negotiated quite extensively and I believe you're going to like the price, \$25 per person. Watch for more detailed articles on the Club Outing in follow up editions of the Drifter.

See you at an event! Steve Barker

M_AX Fun

By John Leet, Autocross Chair

Photos

The SVR autocross season is right around the corner and kicks off with our first event on May 4th. As such, I wanted to provide a brief summary of how to prepare for an autocross event.

Autocross is a great opportunity for

you to learn car control skills and how to drive your car at its limit in a safe environment. If you are interested in autocross but missed the opportunity to attend the SVR autocross school, please feel free to come to attend any of our events. We have instructors that are more than happy to spend time with beginners and novices to provide you with all of the basics of autocross and ride with you to help with driving techniques. If you have any questions, please email autocross@svr-pca.org.

Preparing yourself

Bring sun screen, a hat, and wear comfortable clothing. Shoes must be closed toe, no sandals. A portable chair is also nice to have. Water is provided, but many folks bring a small cooler with snacks and drinks. A tire gauge is helpful for adjusting tire pressure. Print your registration materials and waivers, and get a good night's rest!

Helmets

Helmets are required safety equipment for all drivers. Drivers must wear a helmet with a Snell rating of SA2005 or newer. If you do not own an approved Snell rated helmet, the club provides a limited number of loaner helmets that will be issued at check-in.

Preparing your Porsche

Check fluid levels (oil, brake,

coolant) prior to the event. Check tire pressures to make sure they are at factory specs, and that your tires have plenty of tread. You may also want to check with your Porsche service provider to see if they can perform a basic safety inspection. Remove all loose items in your glove box and trunk as these items can present a danger while driving. Race day numbers can be made from painter's tape, or regular competitors will register a number with the zone and purchase a set of removable numbers

Event check-in

When you arrive, check in at the SVR trailer. You will need to provide signed waivers, and you will be assigned to a run group and course work station. Course work is important to ensure a successful event. If you are new, the event organizers will provide instruction

for your specific duties. You will be given a score card that should be placed on your windshield that will signal your car for a tech inspection.

Tech Inspection

With your score card placed on your windshield, open your trunk and engine compartment to signal your car is ready for inspection.

Course Walk

We encourage all novices and experienced drivers alike to walk the course prior to the driver's meeting. This can be done individually, or you can join the group for the rookie course walk conducted by an instructor.

Driver's Meeting

A mandatory driver's meeting is conducted prior to the start of each event, where the autocross chair will go over basic safety rules and general itinerary of the day's competition.

Run Groups

The number of run groups is dependent on the number of cars participating in the event. Usually there are two or three, and you will alternate running, working the course, or resting.

Once Competition Starts

Pay close attention to other cars on the course. Watch their lines and braking points, how they exit turns and apply the accelerator.

Now it's your turn

Bring your car on grid promptly, and lower your windows prior to entering the course (PCA regulation). If your car has PASM, you should set it to Sport/Sport Plus. Most novices will want to leave PSM active, but as you gain more experience and have comfort with controlling the car, you will most likely improve your times by turning it off.

If you are a novice, you will most likely have an instructor riding along. Listen carefully to his/her instructions. Take your time and don't try to get a fast time on your first run. It is more important to learn the line and the course.

And most importantly – be safe and have fun!! You will start to get a feel for how much you think you can improve your time to set personal goals. There is good camaraderie with other drivers who will be happy to share tips and techniques.

Cattlemen's Dinner

By Ed Parra, SVR Member

Photos Ed Parra

The wine was flowing and the chatter kept growing as 50 club members were truly enjoying the excellent SVP dinner hosted by **Mike and Emily Willis** at Cattlemen's. This large turnout started off with a predinner hour of social mingling in an expansive private room with the tables formatted in a U shape, or in the spirit of the restaurant, a horseshoe. Almost the entire group was at Cattlemen's by 6 PM, reflective of the Porsche folks attributes for promptness and socializing. Or maybe they just wanted to get in an extra glass of wine before dinner which started at 7. Our three Cattlemen's servers did an excellent

job planning and serving the meals promptly. The meals were well prepared. At least Mike and I did not hear of any complaints. However, we did hear a little light smacking and the chatter diminished after meals were served, a good indicator that folks were enjoying their meal after a lively hour of socializing. Our servers were attentive and always had an engaging smile on their face, which added to an enjoyable dining experience.

Ok, time to stop pretending I'm a restaurant critic. The service and meals were a hit but now we need to move on to the Share the Wealth. Mike did an excellent job in speaking

about the venue, upcoming events and announcing new guests, Carolyn and Kevin Bender, that were invited by Tracy and Janice Nations. The Bender's drive a beautiful blue Cayman. They appeared to be enjoying themselves and hopefully will be new members soon. Next, Emily and Alma Thompson began to draw raffle tickets and Mike called out the winning numbers. There were several donations brought by all, mostly nice bottles of fine wine, so there were plenty of winners. Everyone had a great time and thanks again to Mike and Emily Willis for arranging another successful and fun event for our Club!

Redwood Region celebrates its 50th Anniversary this year and what an accomplishment. I presented Redwood president, **Chip Witt**, an official citation presented on behalf of the Porsche Club of America at their annual Run for the Crab event which was held at the Marin Yacht Club in San Rafael and attended by a very friendly contingent

Region in September of 1968 to discuss their idea of forming a new region of PCA. After submitting bylaws and an official application to form a new region, Redwood was officially recognized in January of 1969. The region's first president was **Dr. John T. Korn** and so it was that the Region was started. Many of you may not know that in order to

Kuell and the then president of Golden Gate Region was **Dwight Mitchell**. Dwight later moved to the Sacramento Valley Region where he opened Autosport Technology and served as SVR president in 1983 and 1994.

Redwood Region currently has a membership of over 633 primary members and is one of the most active

apply to create a new club, several things must happen, 1) you must have a group of at least 15 Porsche owners, 2)

regions in Zone 7. The club has several events per month including tours, dinners, a monthly breakfast, an active

of more than 100 Redwood Region members and some 60 Porsches. The event featured a 70 mile 2 hour tour of some of the best back roads in Marin County including the scenic Point Reyes National Seashore followed by a hearty crab feed. Thanks to event chair **Sharon Castle** and her volunteers for a great event.

Reviewing the history of the region, which was founded in 1969, I learned that the region was an off shoot of Golden Gate Region. A local Porsche Club at the time known as **Tamalpais Porsche Club**, based in San Rafael, approached PCA and the Golden Gate

if the region you are interested in starting is currently part of a current region of PCA the new region must seek the permission of the current region and 3) submittal and approval of a new set of bylaws and application. The then president of PCA was **Charles**

autocross program, and participates in the Zone 7 concours series.

I would like to extend congratulations to club president **Chip Witt**, the board and the 633 members of the club for their 50 years of commitment to Porsche Club of America and for being a part of the largest single marque car club in the world! Happy Golden Anniversary and wishing the club 50 more years!

Diablo Region past president, **Ed Won**, wanted me to let all the regions in Zone 7 know about 3 events that his club has scheduled in conjunction with the **West Coast Racing Series** for those DE enthusiasts that can turn the race weekend from a 2 day event into a 3 day event. Diablo Region will hold DE's on March 22nd at Thunderhill; May 20th at Buttonwillow; and on November 25th at Sonoma.

The Zone 7 Presidents meeting was held in Fairfield on March 2nd and with the addition of the Zone AX chairs, we had nearly 30 region leaders in attendance. The meeting was attended

by special guests **Cindy Jacisin**, PCA National Vice President, **Sandy Provasi**, Zone 11 Rep, **Tom Provasi**, Werks Reunion Chair, and **Mike Holtzclaw**, Alaska Region President who joined our meeting. The meeting topics covered a broad range of important topics such as the responsibilities of the Zone

Rep, region membership updates, the responsibilities of the region presidents, adoption of an Emailer 3.0 guideline for the Zone and a special presentation on

risk management, insurance and PCA's updated strategic plan.

Since we use e-mail for most of our communications, it is necessary to keep our e-mail address current with SVR and PCA. To update your information, go to www.pca.org and login. You can then make any updates (address, car, e-mail etc.). Also, even though we receive the information from PCA monthly, you can send the same updates to: membership@svr-pca.org.

New Member badges will now come with a removable colored sticker to encourage introductions at club events. They can be removed at any time. Welcome to the Sacramento Valley Region of the Porsche Club of America.

SVR - PCA Member Services

How do you join the Porsche Club?

Go to: www.pca.org
This is an online system that will request a credit card for payment. If you would rather fill out a paper form, contact 2019 SVR Membership Director, Rebecca Plourde, at membership@svr-pca.org or 530.210.9686.

Not a Porsche owner but interested in the PCA?

Try the PCA Test Drive program. For information, go to: www.pca.org/pca-test-drive

Need to update your PCA information?

Update your PCA record at www.pca.org

Do you have 2 e-mail addresses?

Want Club info sent to a second email, work, home, spouse, friend...? It's as easy as e-mailing your second e-mail address to the Membership Director at:
membership@svr-pca.org

Want a PRINTED version of The Drifter?
