## **In The Zone March 2025**

Hello Zone 7,

2025 schedules are coming together. Very exciting that you will see below the Zone 7 Autocross Series, the Zone 7 Concours Series, the Club Races and the DEs in our Zone are almost all confirmed.

All the Regions are jumping into 2025 with events. Please post photos on your Region social media and tag the Zone as well. (Links below).

What is the event you are most looking forward to this year ... what new event will you try?

**July 6 – 12, 2025**

[porscheparade.org](http://porscheparade.org)

Parade Oklahoma this July! We are excited to announce that Phase I registration will open to all PCA Members on **Wednesday, February 26, 2025, at 12:00 pm ET**. Phase I is registration and hotel only.

### **NEW FOR 2025**

We are excited to announce that we have a new Parade Registration System! This system was built specifically for PCA and Porsche Parade and will allow for a more seamless registration process. That said, we understand there will be a learning curve, so we have created a [VIDEO GUIDE](#) on how to register using the new system. The [PDF GUIDE](#) is attached and is also available in the Resources section of the new registration system.

In Phase II you will register for Banquets / activities / tours and more.

A quick note, be sure your info is current with PCA National. This ensures that your profile and settings are correct. This info is used for mailing / emails and by your Region for their communication methods (correct info makes registering for national events seamless)

Please ensure that your PCA membership information, including address, home/cell phone numbers, and, most importantly, email address, is up to date on your PCA member account. You may update your information in your Member Profile on [PCA.org](https://www.pca.org) or by calling PCA National at 410.381.0911 .

Looking forward to seeing you at an event in 2025

Brian

*Please let me know if your Region has an event that is open to other Regions / needs broader participation reach. I am happy to share that information.*

The rallies are scheduled for Saturdays with the first car departing at 9:31 AM. They will typically be 90 to 120 miles in length and less than four hours in duration. The rallies will have reasonably easy to follow directions using mostly scenic low volume paved roads.
