

# 2026 SVR Road Rally Program

The Sacramento Valley Region (SVR) of the Porsche Club of America is hosting a series of time-speed-distance (TSD) road rallies that start at various locations within the greater Sacramento region. Most rallies are open to all participants, not just members of SVR. Prior to the first event of the series SVR will conduct a Rally School which includes a classroom session to provide an overview of rally procedures including how to follow route instructions and an introduction to the Richta timing system. The classroom session will be followed by a practice rally on the next day.

These rallies occur on Saturdays and/or Sundays and will typically be 80 to 100 miles in length and approximately 3 to 4 hours in duration. The rallies will have reasonably easy to follow directions on mostly scenic low volume paved roads that are in good condition. Route instructions will be designed to be easy to follow for the beginning rallyist while at the same time providing some challenges or learning experiences for all participants.

The schedule of events is as follows:

- Rally School – March 28 and 29
- CRAB Rally (PCA members only) – April 19
- Rally #1 – May 9
- Rally #2 – June 20
- Rally #3 – July 11
- Rally #4 – August 22
- Rally #5 – October 10
- Rally #6 – TBD

Details regarding the time and location for the Rally School, along with start location and other rally information, will be posted on the SVR website. Registration for the Rally School and all rallies will be handled through MotorsportReg. The rally entry fee is \$25/per car. Entry requires a street-legal vehicle, a licensed and insured driver, a navigator, and two smart devices (e.g., cell phones), with one running the free Competitor Richta GPS Checkpoints app. Awards will be presented for top finishers in both the individual rallies and at the end of the series for cumulative performance.
