## **In The Zone August 2026**

### **Hello Zone 7!**

There's something special about August in the Porsche world.

For many of us, this is the month where summer is in full stride. The roads are calling, the calendars are packed, and everywhere you look there seems to be another opportunity to drive, gather, compete, volunteer, or simply enjoy the company of fellow PCA members.

One of the things I enjoy most about serving as your Zone 7 Representative is seeing the incredible variety of events happening across our ten Regions. Every month offers something different—whether it's a scenic tour through wine country, an autocross chasing hundredths of a second, a beautifully prepared concours car, a weekend at the racetrack, or a casual gathering over coffee. No matter how you enjoy your Porsche, there's a place for you in PCA.

If you haven't ventured outside your home Region yet this year, consider making August the month you do. Visit another Region's event, introduce yourself, and experience firsthand the friendships and enthusiasm that make Zone 7 such a remarkable community.

Summer may be flying by, but there are still plenty of opportunities to create new memories behind the wheel. I encourage you to take advantage of everything our Regions, our Zone, and PCA National have to offer.

I hope to see you at an event very soon—and if you do see me, please stop and say hello. One of the greatest parts of this position is meeting members throughout Zone 7, hearing your stories, and sharing our enthusiasm for these incredible cars.

Until next month... **Brian** *PCA Zone 7 Representative*

## Zone Series Updates

Our **Zone 7 Autocross Series** and **Zone 7 Concours Series** continue to deliver outstanding events throughout the season.

If you haven't looked at the calendars recently, now is a great time to do so. There are still excellent opportunities to participate, volunteer, or simply come out and enjoy the events.

Please note that the **Diablo Region Zone Series Concours has been rescheduled**. Be sure to review the updated calendar and registration links included below so you don't miss the new date.

Whether your passion is driving between the cones or perfecting every detail of your Porsche for the concours field, I encourage you to get involved before the season winds down.

Judged spaces are SOLD OUT. Corral is still open

This year, we are **celebrating the 50th Anniversary of the introduction of the 924 in 1976**, as well as the series of transaxle Porsches, which will be the feature cars for Werks Reunion 2026.

Porsche owners interested in participating must register in one of two categories:

**Porsche Corral** - Display your cherished Porsche proudly alongside others of its model type. Corral participants are not considered in the judged competition.

The registration link is available [here](#) on Motorsportreg.com.

This event is free to attend as a spectator. Parking available on-site for \$40 per car (cash only).

**Juniors Judging, sponsored by Hagerty** - will be available at 10:30 AM. This activity is best for ages 6-14. To sign up, please register kids at [Werks Monterey Juniors Judging](#).

If you were hoping to display your Porsche on the show field, congratulations to those who registered early. **Judged entries are now completely sold out.**

The good news is there is **still space available in the Corral**, making it easy to park your Porsche and enjoy the event alongside fellow enthusiasts. And remember, even if you don't bring your car at all, you're still welcome to attend and experience one of the finest celebrations of Porsche anywhere in the world.

Werks Reunion continues to be one of the highlights of Monterey Car Week, and I hope to see many familiar Zone 7 faces there.
